

# Middle School Band

Join our middle school band program today! All you need to do is check the “band” box on your 6th grade registration form!

**What is it?** Band is a class that meets during the school day and requires very rare after-school rehearsals. It allows students to learn instruments and play a variety of music together. Students will own or rent an instrument to play throughout the year. It’s also one of the closet knit, highest performing, and largest groups on campus (230 members in middle school band alone)!!

**When?** Join us on **May 16<sup>th</sup>** OR **May 20<sup>th</sup>** anytime between 4:30pm-7:00pm for a one-on-one session with your child to find the right instrument that fits them. On this night, you will be given the opportunity to play each of the instruments and be tested by professionals. You will also receive specific information on how to rent or purchase the one you choose. In the meantime, please be thinking about what instrument you would like to play. There is an instrument for all: we just have to find what’s best for YOU!!!
